

**For immediate release**

**Launch of “IPX 4, 6 & 8 PWM Industrial Fan”**  
Ultra-durable fans for industrial applications

HONG KONG, 13 July 2016

Thermal Solutions specialist *GELID Solutions* unveils the *IPX 4 PWM*, *IPX 6 PWM* and *IPX 8 PWM* – a brand new series of fans for industrial applications.

The *IPX Industrial Fan* series provides protection against harmful deposits of dust and water from harsh environments. It is IP56 rated and allows continuous operation in extreme conditions and high humidity industrial environments. The *IPX Industrial Fan* series is now including:

*IPX 4 PWM* (40mm fan with PWM)  
*IPX 6 PWM* (60mm fan with PWM)  
*IPX 8 PWM* (80mm fan with PWM)

The *IPX 4 PWM*, *IPX 6 PWM* and *IPX 8 PWM* feature precisely balanced impeller which guarantees stable operation even at the highest rotation speeds possible. The *IPX 4 PWM*, *IPX 6 PWM* and *IPX 8 PWM* also integrate ultra-durable mechanics, a double ball-bearing configuration from the renowned Japanese manufacturer NMB Tech. The new Smart PWM IC, designed specifically for the *IPX Industrial Fan* series, eliminates any clicking noise and controls fan speed according to heat-source load. The *IPX 4 PWM*, *IPX 6 PWM* and *IPX 8 PWM* have comprehensively optimized blades, the result of software simulations and real-prototype test which provide higher performance and dramatically improved airflow distribution without increasing noise level.

The *IPX Industrial Fan* series conforms to RoHS, WEEE, IP56 and carries a 5-year warranty.

*“When you need a fan to be used in extreme environmental conditions you are often in trouble as typical fans can’t withstand even a small amounts of harmful dust or humidity. The IPX fans make it easy now: the series fully complies with the IP56 protection rating, you can use our industrial fans on your boat, in your garage, in your storehouse, any other dusty or high-humidity places”,* said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

MSRP:

IPX 4 PWM: USD 9.90/ EUR 8.70    IPX 6 PWM: USD 11/ EUR 9.65    IPX 8 PWM: USD 11/ EUR 9.65
