

For immediate release

Launch of “SLIM SILENCE AM4” – CPU Cooler
1U Low Profile Heatpipe Cooler for AM4 CPU

HONG KONG, 25 September 2020

Tech innovator *GELID Solutions* unveils the latest 1U low profile cooler for AMD™ AM4 CPU. The *SLIM SILENCE AM4* is a product of GELID Solutions SILENT product line.

The *SLIM SILENCE AM4* is crafted for HTPC, Panel PC, Car PC and 1U Server. Heatsink height of just 28mm fits most slim-type chassis. The *SLIM SILENCE AM4* also comes with the double heatpipe integrated into the heatsink base and features multiple heatsink optimizations to achieve high cooling efficiency in the compact size. The cooler weighs only 206g to support enhanced compatibility with lightweight Panel PC and Car PC applications. The new silent 65mm frameless fan with the intelligent GELID PWM (Pulse Width Module) compliments the heat sink. The intelligent PWM Curve technique constantly keeps it silent but accelerates speed whenever higher airflow is required. The *SLIM SILENCE AM4* is compatible to AMD™ Ryzen™ 3/5/7 CPU with TDP up to 85W and supports AM4 CPU Socket.

The cooler is RoHS and WEEE conform and carries a 5 year warranty.

“SLIM SILENCE AM4 is slim, lightweight and silent. Built with the supercharged double heatpipe and optimized heatsink, it delivers exceptional cooling performance and ensures fine-tuned compatibility for your Slim PC”, said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

The *SLIM SILENCE AM4* is available now and has a MSRP of USD 22 or Euro 19.
