“ZENTREE MARBLE” – QC 3.0 USB Quick Charging Station

Smart charging innovation for your smartphone & tablet

HONG KONG, 4 December 2019

Tech innovator *GELID Solutions* unveils the *ZENTREE MARBLE* – a luxurious USB charger station featuring the latest technologies to dock and quick charge your mobile devices.

The *ZENTREE MARBLE* is made to orchestrate docking and charging easily. It provides a carefully designed docking surface, *3D-Tree Array*, which holds multiple mobile devices of different size and type: iPhones, iPads, Androids, tablets, smartwatches, headsets, action-cameras, power banks or really any other USB device. The top is made of soft silicone rubber to protect your devices from scratches and slip-off. The *Smart QC 3.0 Multi-Device Charging System*, a core part of the *ZENTREE MARBLE*, auto-negotiates the output voltage from 3.6V to 12V in granular 0.2V steps while precisely adjusting the charging current as requested from your device. This technique guarantees the most efficient quick charging and extends battery lifespan. The *ZENTREE MARBLE* also provides one USB-PD port to support the latest high-wattage USB devices with up to 18W charging power. The combined 60W total power output facilitates charging for up to 4 power-hungry mobile devices – such as iPad Pro or a 20000mAh power bank – all 4 at once. For safety of your devices, the *ZENTREE MARBLE* boasts a per-port protection system: surge protection, short-circuit protection, over-temperature protection. And especially, the *ZENTREE MARBLE* is brewed of premium grade components featuring the luxurious marble styling, pure-white top cover and power-efficient electronics to ensure the best quality you can get.

The *ZENTREE MARBLE* conforms to FCC, CE-LVD, CE-EMC, DOE VI and carries a 2-year warranty.

“ZENTREE MARBLE is the newest masterpiece in our LIFESTYLE family. The super easy cabling, top-notch charging electronics and vivid design all make it a perfect mate for your mobile devices”, said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

The *ZENTREE MARBLE* is available now and has a MSRP of USD 54.99 or Euro 49.99.
