Launch of “Siberian” – Value CPU Cooler

Competitively priced CPU Cooler with PWM fan for AMD & Intel 775, 1155 & 1156 Sockets

HONG KONG, 12 July, 2011

Thermal Solutions specialist *GELID Solutions* adds a 66mm high multi compatible CPU Cooler with PWM fan to its popular SILENT product portfolio.

The Siberian with its super competitive pricing contains a premium aluminum heat sink and a silent 80mm fan with GELID intelligent PWM control. The cooler offers multi compatibility for AMD™ & Intel™ latest sockets. It features a compact size and is especially suitable for HTPC and small chassis. The silent fan achieves high airflow rate and the GELID intelligent PWM Control accelerates the fan speed only when it's necessary.

The cooler is RoHS and WEEE conform and carries a warranty of 5 year.

“The perfect choice of CPU cooler for system builders looking to replace the stock cooler with a single cooler that fits all platforms”, said Gebhard Scherrer Sales Director of GELID Solutions Ltd.

The “Siberian” CPU Cooler has a MSRP of USD 9.99 / Euro 6.99. It is available now.
