

For immediate release

Launch of “BLACK DIAMOND” – Mid-Tower ATX Gaming Case
Robust Gaming Station with Top-Grade Materials & Enhanced Cooling

HONG KONG, 7 May 2020

Tech innovator *GELID Solutions* launches the *BLACK DIAMOND* – the latest Mid-Tower ATX gaming PC case. The *BLACK DIAMOND* is a product of GELID Solution GAMER product line.

The *BLACK DIAMOND* is created by gamers and for gamers. It features tempered glass bezel and side panels, enhanced cooling, robust chassis and versatile internal layout to accommodate top-performance components with extended clearance for the latest GPU, high-power PSU and high-class CPU Cooler. The *BLACK DIAMOND* also supports direct front vents to improve airflow inside the case and full-fledged water cooling with front, top or rear radiator mounts fitting up to a 360mm radiator and 3 optional 120mm fans. For ever growing storage assets, it boasts multiple storage options with 2 x 3.5” HDD and 2 x 2.5” SSD drive bays. And especially, a set of USB ports and HD Audio/Mic outputs are located on the top panel to facilitate connection of gaming headsets and other peripherals.

“When it comes to PC gaming, the first pillar of your system’s consistency is based on your PC case. BLACK DIAMOND delivers all the essentials every avid gamer needs, and it ensures your system is built on solid foundation”, said Gebhard Scherrer, Sales Director of GELID Solutions Ltd.

The *BLACK DIAMOND* is available now and has a MSRP of USD 92.99 or Euro 85.99.
